Features & Benefits

- Color coding indicates amperage rating for each fuse
- See-through housings make it easier to see when fuses blow
- High-contrast ampere stamps on the top of the housing aids identification
- Checkpoints on top make it possible to measure resistance without removing the fuse
- Simple to install and remove
- Comply with ISO 8820-3

Applications

- Cars / SUVs
- Trucks
- Offroad vehicles
- Buses
- Watercraft as approved by Littelfuse®
